Handicapping Procedure

Qualifying times will set Heat Race Line Ups (12 Car Inversion)

NOTE: To be eligible for an inversion or pill draw position (heat or feature)... An entry must be qualified within one second of the fourth fastest car qualified.

- The top 12 cars out of the Heat Races will conduct a pill draw for starting line-up position. The pill draw will be based on Money Won from YOUR last three (3) races within the past three (3) full seasons.
- 1) The Lowest six (6) in Money Won will draw Pills 1 through 6.
- 2) The Highest six (6) in Money Won will draw Pills 7 through 12.
- 3) Drawing Order within each group of six (6) will go from Lowest Money Won to Highest Money Won
- Double File Restarts up until 10 laps to go.
- GEAR: 5:06 (Targeted Gear Ratio. MAX RPM 7500)
- Be sure to visit [Shop - ISMA-MSS Supermodified Racing Series](#) 2026 Apparel will be arriving SOON!!
